EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on November 9, 2005, Alan J. Morrison requested an extension of time for ONE MONTH(S) and authorized the Director to charge Deposit Account No. 03-3125 the required fee of \$60.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

In claim 17, line 5 of the claim, the term --isolated-- has been inserted after the recitation of "contacting".

In claim 17, line 10 of the claim, the recitation of "APC" has been replaced by the phrase --APCs, such that the antigen is expressed on the surface of the APC (AG-APCs)--.

No new matter has been introduced by this amendment. This amendment is made solely to provide antecedent basis in the claim and is supported in the specification, for example, at pages 8-10.
